## LISTE DES TELLS ET KOMS À SEBAKH.

MINISTÈRE DES TRAVAUX PUBLICS.

### ARRÊTÉ MINISTÉRIEL N° 43 S. A.

LE MINISTRE DES TRAVAUX PUBLICS;

Vu l'article 3 du Décret du 16 mai 1883, déclarant propriété du Domaine public de l'État les monuments et objets d'antiquité;

Vu le Décret du 12 août 1897 édictant les pénalités pour certaines contraventions intéressant le Service des Antiquités;

Vu l'approbation des Ministères de l'Intérieur et des Finances;

### ARRÊTE :

1<sup>o</sup> L'extraction du Sebakh accumulé sur les tells et terrains antiques ne peut avoir lieu qu'après autorisation du Service des Antiquités et dans les conditions qui seront prescrites afin d'assurer une surveillance efficace;

2<sup>o</sup> Pour exercer une surveillance efficace pendant l'extraction du Sebakh, le Service des Antiquités pourra, s'il le croit nécessaire, nommer des gardiens provisoires : le salaire des dits gardiens sera à la charge des preneurs et ne pourra excéder P. T. 5 par homme et par jour.

Les preneurs en verseront d'avance le montant évalué approximativement par le Service des Antiquités d'accord avec l'autorité locale;

3<sup>o</sup> Les ruines d'édifices en pierres ou en briques, les colonnes, stèles, inscriptions, statues, figurines, amulettes, perles de colliers, bijoux, monnaies de cuivre, d'or et d'argent, papyrus, parchemins, sarcophages, cercueils, momies d'hommes et d'animaux et tous les objets archéologiques de

quelque valeur et de quelque époque qu'ils soient, qui peuvent être mis au jour par les opérations du Sebakh, appartiennent, au terme de l'Article 3 du Décret du 16 mai 1883 susvisé, au Domaine public de l'État et devront être signalés ou remis au gardien.

Les briques cuites, tessons, débris de verre, de pierre taillée, de ciment, d'homra et, en général, tous les matériaux antiques qu'on rencontre dispersés dans le Sebakh, seront laissés sur place à la disposition du Service des Antiquités;

4° Quiconque enlèvera du Sebakh sans autorisation ou en dehors des limites et des conditions de l'autorisation, sera considéré comme ayant enlevé le Sebakh d'un endroit prohibé; en conséquence, il lui sera fait application du Décret du 12 août susvisé, sans préjudice de l'application de dispositions pénales plus graves, s'il y a lieu;

5° L'extraction du Sebakh des tells et terrains appartenant à l'État, situés entre Aïn El-Sira et la Mosquée d'Amrou, continuera à être régie par l'arrêté du 4 novembre 1901;

6° Le présent arrêté est applicable à tous les tells et koms à Sebakh énumérés à la liste ci-annexée.

Un arrêté du Ministère des Travaux Publics suffira pour ajouter à cette liste tout autre tell ou kom qu'il désignera;

7° M. le Directeur Général du Service des Antiquités est chargé de l'exécution du présent arrêté.

Le Caire, le 7 décembre 1909.
